Internship

May 2022 - July 2022

JAVA SE Intern (2023)

-Simplify your Mobile Mart with a Java SE app! Manage phones, track inventory, and process sales.

-Implemented CRUD operations using JAVA .

-Implemented a clean and User friendly UI using JAVA Swing .   **June 2024 - Aug 2024**

Full Stack Web Developer Intern (2024)

CipherSchools

- Built a To-Do List app and learned how to use API's boosting the skills in MERN stack.
- Learned about various fundamentals of web development such as code management, semantics, etc.

Projects

GlucoSee (Diabetes prediction App) / *MERN Stack, Responsive Web Design, Python, Flask*   **Jan 2024 - Feb 2024**
- Predict your risk of developing diabetes with this user-friendly mobile app. Built with Python and advanced Recurrent Neural Networks (RNNs), the app analyzes your health data to provide personalized risk assessments.
- Simply enter information like blood sugar levels, weight, and family history. The app then processes this data using RNNs, which are powerful tools for analyzing sequential data like health trends. Based on your personalized risk assessment, the app offers:
- Easy-to-understand results: Know your risk level at a glance.
- Actionable insights: Get access to trustworthy educational resources based on your risk profile.

Project APOD / *HTML , CSS, JavaScript React, API.*   **June 2024 - June 2024**
- Implemented NASA's APOD (Astronomy Picture Of the Day) Application Interface to display the information of the Nasa's picture of the day
- Learned about how to fetch and use the API from an open Source Platform
- Learned about how to de-structure and access the value from the API data set.

Certificates

Full Stack Web Development   **June 2024**
Cipher Schools

Java SE Trainee   **March 2022**
Analyze Infotech

Technical Skills

Languages Java, JavaScript, C++

Technologies/Frameworks: React JS, Node JS, Vite JS, SQL, Git, GitHub,

Skills: Problem-Solving, Responsive Web Design, Team Player, Adaptability, Project Management

Education

Lovely Professional University Punjab   **2023– present**
